What has HireLAX done now? We've Gone 5 for 5!

Five recent HireLAX grads were sponsored by LAX contractors as Laborers! Before commencing work, the graduates first must pass the Laborers boot camp. The boot camp is a five-day grueling assessment of physical and mental endurance and strength. The boot camp also requires candidates to pass both a drug test and an interview with union representatives. Those familiar with the Laborers Boot Camp, know that not all candidates are able to pass, BUT our HireLAX grads went five-for-five!! Sully Miller led the charge by sponsoring two (**David Ruiz & Eric Pierre-Smith**), while Hensel Phelps (**Alex Sintigo**), LINXS (**Edward Leiva**), and Bali Construction (**Julisa Anguiano**) all sponsored one graduate each. All five graduated from HireLAX's last Cohort #19!

A big thank you to the LAX contractors who are making a difference by sponsoring local residents and giving life-changing opportunities to the hard-working people of Los Angeles! Without the contractors and Los Angeles/Orange County Building Trades partnership, the HireLAX program would not be the success it has become. Thank you!!

Please tell your friends and family looking for a life-changing career, about the HireLAX Program.
