

FAA Flight Check (7R End-Fire Glide Slope)

The FAA will be conducting a special Navigational Aid (NAVAID) flight check for Runway 7R on Thursday, April 16, 2015. Weather permitting this work will be performed at sunrise (approx. 6:40am) in order to meet the safety requirements associated with the flight check. All arriving and departing aircraft will be changed to an easterly flow for approximately 1 hour. Please plan your flight operations accordingly. For current airfield operating conditions please check NOTAMs at <https://pilotweb.nas.faa.gov>. Thank you for your support.

For questions or comments regarding this advisory please contact Airside Manager, Jeff Mort, Jmort@lawa.org.
