

Permanent Closure of Vehicle Service Road D Between Vehicle Service Road K and Vehicle Service Road L

On March 19, 2021 at 0001L LAWA Field Paint will close Vehicle Service Road (VSR) D between Vehicle Service Road K and Vehicle Service Road L to begin work to permanently remove this segment of the service road. The opening of the Midfield Satellite Concourse (MSC) and Gate 210 necessitates the need to remove this VSR crossing. Vehicles needing to cross Taxiway K and Taxiway L, can use the service road crossing located further to the south between TBIT and MSC.

Operational Impacts:

- On March 19, 2021 at 0001L the Vehicle Service Road D crossing Taxiway K and Taxiway L will be permanently closed.
- Vehicles needing to cross Taxiway K and Taxiway L between MSC and TBIT will need to use either VSR E, C or the midfield VSR crossing, located between TBIT and MSC.
